Google Pixel 4 XL Google Pixel 4 XL is an all-new premium flagship that offers the best of Google in an all-new form. The Pixel 4 XL brings a stunning new look with an incredibly refined design that will take your breath away. Its smooth and seamless surface is protected by the new Pixel Stand, which allows you to easily customize the display. And with an incredible 12MP rear camera with a new Pixel Visual Core, you'll never miss a moment of your life. Visit Google Pixel 4 XL: Follow Google Pixel: Twitter - Facebook - Instagram: Google XL has always been about the power of imagination. We get to work closely with designers to bring the best ideas from concept to reality, and we love what we do because it's creating a more beautiful world. And in 2018, it's about bringing even more of the power of Imagination to the world. That's why we◆
