What's New in the?

The Dell 2008 Icon set is a high quality set of icons that are designed in ICO and PNG file formats you can choose from. The beautiful icons are meant for you to use onto your home PC and give your files and folders a brand new appearance. The 8 icons are for access to your operating system, documents, apps and the internet. This set also has icons for your folders and for the new os x Lion. Installed: There are 2 sizes to choose from. 48x48 120x120 Required: Windows Vista+ Browser IE9+ (Firefox 3.5+, Opera 10.10+ & Safari 3+) Download: PC support: Windows Vista+ Mac OS X 10.6+ Linux 2.6+ Mac and Linux support is not guaranteed and is an additional fee. The icons can be used from multiple desktops. The icons can be downloaded as a ZIP file or as a compressed package depending on your choice. The package can be further compressed to a size of less than 1MB. To use the icons you need to extract the package to your applications folder and the icon set can be used. The icons are set to the desktop and to the current application Cleaning up: All the icons are stored in a folder structure that is easy to use for you. Back to a older theme. You can use the icon theme as a back up to the look and feel of the operating system and can be used to restore it to it's old self. This theme comes with the OSX version of the icons and the ones for windows. You can restore your icons to the old look by downloading this theme from my site. Next Steps: Extract the package you have downloaded and save it in any of the following locations. If you are updating from a previous version of the Icon theme it's recommended to remove the previous version before updating to the newest version of the icon theme. Folder structure: The package you downloaded was a compressed folder. Within the compressed folder you will find the following folders. Win Mac Linux OSX Core 48 48x48 These folders contain the windows icons. The 48x48 folder contains the folder icon, the icon folder icon, the file icon, the close box icon, the open folder icon, the name icon, the file info icon and the close window icon. Within the 48x48 folder you will also find the icons for the following OS X Lion desktop and dock folder app Documents down arrow Internet home network Windows Vista desktop folder app Edit

Recommended: Player Stat Distribution: 1. Maximum number of players to fill each unit: 2. At least 1MB Internet Download Speed: 3. Screenshot of your game data: Game Mode: 2. Difficulty: 3. Battle type: 4. Resource Sharing (No: 1, Standard: 0, Unlock: 1): Newborn Haitian-style Bata Ganbao
