Salamander AquaSafari: 15" Giant Salamander Tank "Salamanders are perfect for a freshwater tank. They can withstand a wide range of water conditions, such as low temperatures, and they have very powerful jaws and powerful retractable claws that can break down very hard, rough, brittle, or woody debris. It is possible to feed them live. Salamanders are usually very active and seem to enjoy any type of tank, but they do like to explore and swim. They are easy to raise and add lots of texture and interest
