Guided Canoe Screensaver Screenshots: Video Poker Screen Saver Video Poker is a classic casino game. It is played by two players, one of them being the dealer and the other one the player. You bet on the player's result – he/she is given cards and takes them when he/she decides. Only cards with the same number can be used. When all the cards are dealt, the player's hand is compared to the dealer's hand. If the numbers of cards are the same, then the player wins money. You can download and install Video Poker Screen Saver. Video Poker Screensaver Description: Play video poker against the dealer with high quality graphics. This screensaver will be a perfect addition to your computer. This is a fun game which will let you relax while watching it. You will be always fascinated by this screensaver. This screensaver is a perfect diversion and your entertainment. At the same time it is a quite entertaining game. Download this screensaver and free yourself from boredom! Play your favourite game now! Video Poker Screensaver Features: This screensaver will take you
