Note Most digital cameras now have an application that allows you to edit images directly on your camera. By installing this application, you can shoot more images with minimal editing. For instance, Lightroom (www.adobe.com/products/photoshoplightroom/index.html), Aperture (www.apple.com/ipad/a3/aperture/), and Picasa (www.google.com/picasa/products/photostory/index.html) are all great image-editing applications that you can install directly onto your camera. With the ability to preview images, create slide shows and access photos stored in the cloud, they are great way to share your images. # Chapter 3: Managing and Altering Multiple Images An image can contain more than one object that you want to manipulate. For example, you may want to alter the shape of a background or add text to a logo. In this chapter, you'll learn how to work with multiple images, and you'll learn how to remove objects from one image and add them to another. You'll learn how to

333 So.2d 205 (1976) INTERNATIONAL AMERICAN LIFE INSURANCE COMPANY, Appellant, v. Jesse WILLIAMS et al., Appellees. No. 75-541. District Court of Appeal of Florida, Third District. May 18, 1976. Rehearing Denied June 15, 1976. Richard A. Sherman, Knox, Del Castillo, Scott & Knowles, Miami, for appellant. Wicker, Smith, Blomqvist, Tutan, O'Hara, McCoy, Graham & Lane, Miami, for appellees. Before BARKDULL, HUBBART and HAVERFIELD, JJ. PER CURIAM. This is an appeal from a final judgment entered upon a jury verdict awarding damages to the appellees for fraud in the procurement of an insurance policy. The appellant urges that the trial court erred in instructing the jury that *206 the appellant had the burden of establishing the complete absence of fraudulent intent. The fraud in the procurement of a contract of insurance is, of course, one of the three essential elements of an action for fraud in the inducement of an insurance contract (Mableton v. State Farm Fire & Cas. Co., 323 So.2d 812 (Fla. 3d DCA 1975)). The jury should be instructed, as here, on each essential element of the case. Accordingly, the final judgment must be reversed and remanded for a new trial. Reversed and remanded. Yesterday, a video of a Florida teen telling police he was using his electronic cigarette to beat a \$230.11 tax bill went viral on social media. Today, the teenager's mother came forward, telling the Palm Beach Post that she paid off the tax bill so her son's story could be heard. A Florida mother has come forward to help her 17-year-old son, who could not read or write, resolve a \$230 tax bill incurred because he was selling too many electronic cigarettes on eBay. Faith Hudson said she paid the total amount to Palm Beach County last month on behalf of her son, who did not have access to proper ID. She said it was painful for both her and her son to spend the money to help him resolve the bill, as she and her husband can barely make ends meet. Hudson said her son,

Q: Cheapest way to have read/write access to local machine from LAN I have a Windows Server 2003 machine that I use for locally in my office. I need to make it accessible to users on other LAN machines in my office. What is the cheapest and easiest way to make this happen? Suggestions? A: There are plenty of ways to do

this: You can allow users to connect with a Remote Desktop Connection from their workstations to your server machine. You can add a server machine to an existing Windows domain You can install and configure the ConfigMgr 2007 Software Distribution Method (SDR). There are very good instructions at You can install a VNC Server like TightVNC on the windows machine and share the screen from workstation, etc. See You can install SAMBA on the windows machine and share the filesystem, etc. (see I recently had someone use the microsoft IPTables firewall and NATing rules on a Windows 2008 server machine to allow RDP connections to the Windows workstations. See You can install an HTTP Web Server like IIS Express on the Windows machine and then provide your local IP address as a Web URL to the internet. Fed up with the limited options at the bar, John decided to get started with a few of his favorite ingredients, dried fruit. He liked the idea of being able to use his BBQ sauce as a topping for a dessert, even though as a cook, it's probably not his best idea. He searched online and found that there are dozens of different recipes for fruitcake, most with either dried fruits or candied fruit. He likes the old-fashioned stuff without
