As a.Q: How to get the tag value of an Image using ActionScript? I am saving some data (coupled with images) in a text file using this format: value1 value2 value3 ... I want to read the tag data inside an image and then save it in a new text file. I have tried using two approaches: 1) Write the whole image (tagdata) to a new text file: var imageData:String = new XML(saveToFile(new Image(new URLRequest(html\_url)).data, 'imageData.txt'))); 2) Read the image tag data: var imageData:String = new XML(saveToFile(new Image(new URLRequest(html\_url)).data, 'imageData.txt')).Image.@id; The approach number 1 doesn't work as it saves the image data as well. But the image is corrupted. Approach number 2 doesn't work as well, as this returns undefined. Can someone tell me how to read the tag data of

India's alleged "wolf pack" of men — nicknamed the Indian Mafia for their penchant for making money by drug trafficking and other crimes — have created "extortion rackets" for their own benefit, The Wall Street Journal reported on Friday. The report is based on interviews with 17 people, including drug traffickers, high-profile political figures and others involved in helping to launder money across the Himalayan nation. According to the report, the Indian Mafia is also connected to the Pakistani underworld because many of its members speak Urdu. "There is constant pressure, constant expectations," a Mumbai-based money launderer told The Wall Street Journal. "To solve one problem, you create two more. It's not an easy business." One former prominent member of the Indian Mafia, who asked to remain anonymous, said that while the group was more established, he and his colleagues were constantly looking for ways to make money. "We would go to a wedding function in Kolkata, and [bribe] the hosts to give us the best tables. That is why people would call us the 'Indian Mafia.' The word is just moola dak," he said, according to the report. "Today's mob is really a global phenomenon. The Indian Mafia has become a global phenomenon," former Indian Home Secretary G.K. Pillai, who is based in Mumbai, told The Wall Street Journal. "It's not a domestic phenomenon. A number
